

# The Infant Learning Lab

Interested in helping us study how children learn language?

- Participants include children from 6 months to 6 years of age.
- Most studies take just 20 minutes.
- Sessions take place at the Waisman Center at UW-Madison.
- We provide childcare for siblings & free parking.
- Families will receive a thank you gift (cash, t-shirt, or book).
- You will be with your child the whole time!
